

The PTA Presents

Secret Santa Shop

OCIS Parents & Guardians,

Once again, the PTA will be sponsoring a "Secret Santa Shop"
for all Intermediate school students
December 3rd - December 5th!

This event allows students to shop and purchase surprise gifts for their family members! The kids love this event, as it gives them a chance to truly be "Santa." They put thought into different things they know would make their family, friends, and anyone else they want smile!

A couple of important reminders as you prepare your student for the event:

-  ALL Gifts are \$1.00 and include wrapping which will be done at the time of purchase.
-  The Secret Santa Shop will be open during school hours only. Students will attend the shop during a designated time with their class. An announcement will be made in school letting shoppers know what day they will be visiting Santa's Shop!
-  Shoppers can purchase gifts for ANYONE they want to! This is their chance to be "Santa!"
-  Students lists & money should be sent in on their designated shopping day!

If you have any questions please contact :
