## PTA Dodgeball Rules and Procedures

**Event Rules:** Dodgeball may end before the full schedule completes due to time constraints. Pick-up promptly at 6:30 PM and 8:00 PM based on students' grade.

- The student code of conduct will be enforced. Students will be subject to discipline referrals. All food/drink must stay outside the gym. All students and grown-ups are expected to be positive role models and demonstrate good sportsmanship.
- Each team will have an assigned seating section in the gym. Signs are above the bleachers on the wall. If not playing on a team, take a seat anywhere in the bleachers.
- Team parents are responsible for keeping players in the gym. Team names must be school appropriate or they will be changed without notice.
- Schedules will be available at the check-in desk upon arrival. Check for the team cards above the scorers' table for upcoming match ups. **Do not come up to the scorers table!**
- Team brackets will be split into bracket 1, with grades 4 and 5 from 5:15 to 6:30 and bracket 2 with grades 6, 7, and 8 from 6:45 to 8. Start times will be enforced and matches will be forfeited if a team misses their start time.

### Game Rules

- Games will start with a 3-2-1-buzzer. Players need to be on their back line to start.
- When beginning a game, players must grab a ball from the center and it must touch their starting line before it can be used to get an opponent out.
- Games have 6 players per team on the court at once. If a team has more than 6 players, the extras serve as substitutes. Example. A team has five players on the court and one player catches a ball, the player (#7) who started off the court is the first one to enter. The first player out (#1) is last in order to return. This does not permit a team to have more than 6 players on the court at one time.
- No headshots. No one is out from a headshot if their head is in a normal playing position at the time of contact. (as determined by the referee)
- If a ball hits any surface before a player, no player is out.
- If a ball hits a player, then another player, then the ground, both players the ball hit are out.
- If a ball hits one or more players but is caught before hitting the floor, the player who threw the ball is out.
- The ball cannot be used to block a throw from an opponent. It counts as part of the body and the blocker is out. (The goal is to make games go faster, encourage wins, and prevent one player from hiding in the back to waste time.)
- Games last 2.5 minutes. If no team has won at the end of 2.5 minutes, it is a draw.
- Wins are worth 2 points, draws are worth 1, losses are worth 0.
- **PLAYOFFS ONLY:** All the same rules apply with the exception of a time limit. Playoffs have no time limit. There are no ties allowed in a playoff match.
