

Your membership helps provide events and activities for both the Primary & Intermediate students and is an important part of our annual funding. Connect with your child, teachers and other Ocean City community partners by joining today!

**Membership costs only \$10!!!**

Membership does not require you to volunteer or participate in any other fundraising efforts/events

**Want to do more?**

Often we are too busy to volunteer our time to chair or facilitate an event or two  
**...but we'd still like to help.**

In lieu of participating in our events throughout the school year, your financial contribution would do just fine and is **GREATLY APPRECIATED!**

**What we do with this money? Here are just a few things...**

- |                                    |                        |                     |
|------------------------------------|------------------------|---------------------|
